OPENING LETTER

A new sale at your Parts & Service counter.

Dear Dealer Principal,

Your customers are proud of their trucks and cars. The New Tradition gives them a way to share that feeling: greeting cards made for Ford dealerships, sold at your Parts & Service counter and given by your teams to the people who matter most.

A card they can't buy anywhere else. Birthdays, holidays, pets and milestones, with trucks, trails and open roads in every design. Customers pick one up while they wait, and your dealership keeps about 50% of every sale.

Goodwill your teams can hand out. A signed card at delivery, after a service visit or for a referral turns a transaction into a relationship.

The First Ride Pass. Proud new owners give it to a friend for their first ride, and every ride is a test drive you didn't have to schedule.

We start with a launch order: 120 cards (12 designs x 10 each), and we include the secured 12-pocket counter spinner free. It ships direct to your store and sets up in minutes. Orders placed before December include holiday and New Year cards for the busiest gift season of the year. Every card is printed in the USA.

I will personally handle your account. And the fastest way to reach me is Brian@MelonGlowBooks.com.

Warm regards,

Brian Carey

AT YOUR PARTS & SERVICE COUNTER

A card rack where customers already wait.

Customers spend time at the Parts & Service counter: waiting on a repair, picking up a part, signing paperwork. A secured counter spinner puts a card in front of them while they wait, and the occasions are already on their mind.

Concept mockup of the counter spinner.

SEEN AT EVERY VISIT

The spinner sits beside the counter, at eye level for the customer waiting.

A QUICK ADD-ON

A $6.95 card is an easy yes while the work order is being closed.

SECURED AND COMPACT

Twelve pockets, a non-slip base and no tools to set up. It fits beside the register.

ALWAYS FRESH

52 more designs rotate in by season from the same collection.

TWO REVENUE AND RELATIONSHIP STREAMS

Cards customers buy. Cards your teams give.

STREAM ONE

Spin Rack cards

Sold to customers from the secured counter spinner. Birthdays, holidays, pets, trails and truck life. Your dealership keeps about 50% of every sale.

STREAM TWO

Customer Love cards

Given by your sales, delivery and service teams: a signed card at delivery, a thank-you with the keys after service, a note for a referral. A transaction becomes a relationship.

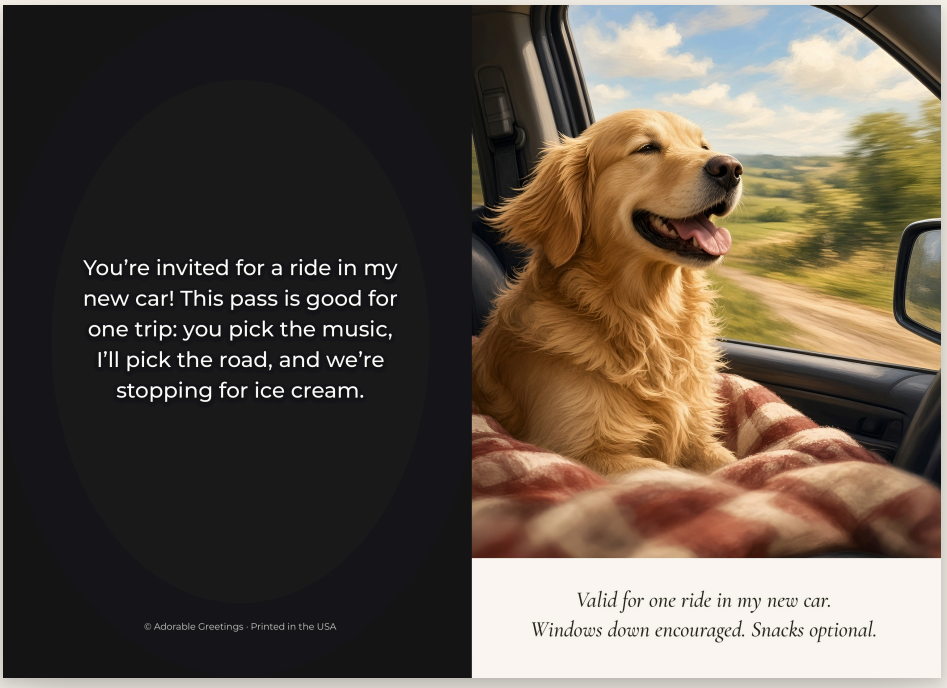
Concept mockup: an advisor hands over a thank-you card with the keys.

Some designs do both jobs. They sell at the counter and your delivery team signs them for new owners. Staff packs of 50 or 100 per design are available for the sales, delivery and service teams, and we can print your dealership’s name or a team message inside any design.

THE FIRST RIDE PASS

Every ride is a test drive you didn't have to schedule.

Almost every new owner has a friend who has been eyeing a new truck or SUV. The First Ride Pass gives the owner a warm, fun way to say: come for a ride. The friend hears about the vehicle from someone they trust, while sitting in it.



1

At delivery

The delivery specialist hands the new owner a few passes with the keys.

2

The invitation

The owner writes a note and gives a pass to a friend.

3

The first ride

They go for a drive, and maybe a stop for ice cream.

4

At the counter

Owners who love the idea pick up more passes from the spinner.

FRD-013 Hop In! Your First Ride is the standard card. **FRD-014 First Ride Pass** adds a tear-off pass stub for the friend.
