A LETTER FROM BRIAN

Attention: Dealer Principal · Re: Greeting cards for delivery day, your client teams and your counter

Dear Dealer Principal,

Grocery stores sell food. Pharmacies sell medicine. Both make steady money on greeting cards. Their customers buy what's in front of them at the counter.

Your dealership has something they never will: delivery day, the biggest moment in your client's year with their new car. A card made for that moment turns a handoff into a memory. *The New Tradition* is a collection of elegant greeting cards created for Mercedes-Benz dealerships, in designs your clients won't find anywhere else, and it keeps the relationship warm long after the keys change hands.

- **Delivery day, remembered.** A signed card presented with the keys turns the handoff into an occasion your client keeps.
- **A relationship that stays warm.** Thank-yous, birthdays, delivery anniversaries and holidays give your teams a gracious reason to stay in touch all year.
- **The First Ride Pass (pp. 4–5).** Proud new owners give it to a friend for their first ride, and every ride is a test drive you didn't have to schedule.
- **An optional counter sale.** A secured 12-pocket spinner takes just a few inches of counter space, and your dealership earns about a 50% margin on cards sold at retail.

Starting is simple. With a 120-card pilot order (12 designs × 10 each), we include the secured 12-pocket spinner free. It ships direct to your store and sets up in minutes. Pilots ordered before December include holiday and New Year cards. The full terms are on p. 6 and the 12 starting designs on p. 7.

Every design is badge-free, so your dealership can say yes on its own. With brand approval, official badges and model names can be added. We can print any custom greeting you like inside any card design, just ask. Every card is printed in the USA.

May I send samples to your sales and delivery team this week? Simply reply to Brian@MelonGlowBooks.com.

Warm regards,

Brian Carey

SPIN RACK CARD

Sold to clients off the secured counter spinner.

CUSTOMER LOVE CARD

Given or mailed by your team.

SPIN RACK | CUSTOMER LOVE

Works as both: the First Ride Pass.

FEATURED CARD · #13A & #13B

The First Ride Pass

SPIN RACK CARD | CUSTOMER LOVE CARD

One card, two jobs: a thank-you from your dealership, and a pass the owner hands to a friend.

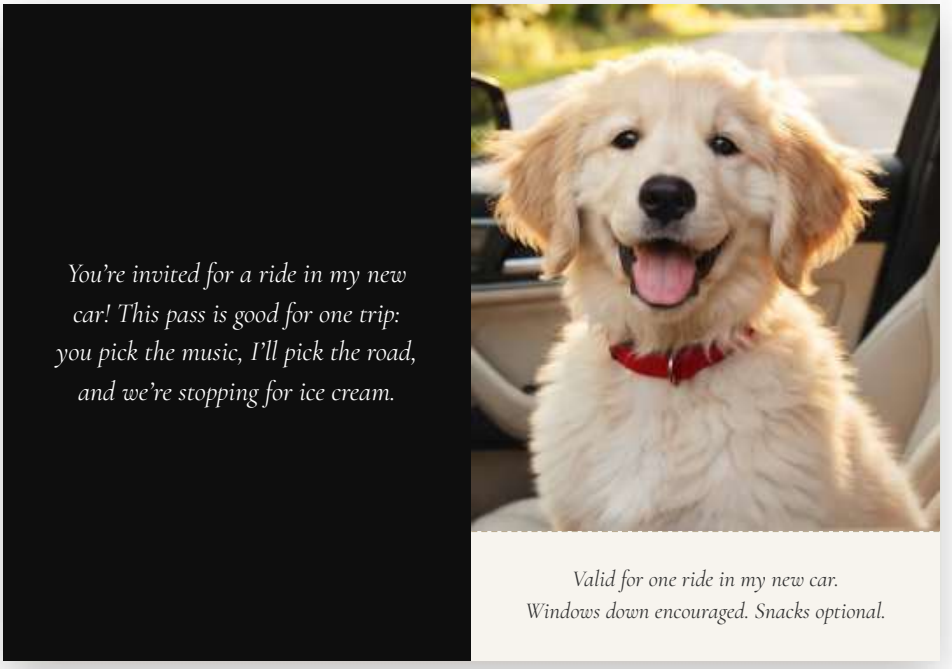

COVER · #13B

A very happy puppy saves the passenger seat under a ticket-style First Ride Pass.

INSIDE

The invitation in crisp white on black, and a tear-off pass stub the owner hands to a friend: Admit one. Front seat, best view.

WHY IT IS DIFFERENT

Every Ride Is a Test Drive

Almost every new owner has a friend who has been admiring their new car. The First Ride Pass gives the owner a warm, fun way to say: *come for a ride.* The friend hears about the vehicle from someone they trust, while sitting in it, and every ride is a test drive you didn't have to schedule.

1

At delivery

The delivery specialist hands the new owner a few passes with the keys.

2

The invitation

The owner writes a note and gives a pass to a friend.

3

The first ride

They go for a drive, and maybe a trip for ice cream.

HOW YOUR DEALERSHIP CAN USE IT

Sales & delivery	Hand the new owner a few passes with the keys: "These are for the friends you'll want to take for a ride."
Sales Manager	Tuck a pass into owner referral follow-ups and owner events, so owners have something to give the friend who keeps asking.
Service & Parts counter	Stock it on the secured counter spinner. Owners who want more passes, and anyone who loves the idea, can pick one up.

TWO VERSIONS

THE COUNTER OPPORTUNITY

A Card Rack Where Clients Already Wait

Clients spend time at the Service and Parts counter and in the client lounge. A secured counter spinner turns that wait into a moment of browsing, with cards made for Mercedes-Benz owners and the people they drive with.

A NOTE FROM BRIAN

Good Feeling, Given and Bought

Before you turn to the cards, I want to share how I picture them working at your dealership. There are two ways, and every card in this book is made for one of them, or both.

CUSTOMER LOVE CARD

Goodwill from Your Team

A few handwritten words from the delivery specialist on delivery day, a thank-you on the driver's seat after a service visit, a birthday or holiday card in the mail. It is a simple way of saying *we remember you*.

Advisor and staff packs of 50 or 100 cards per design are available.

SPIN RACK CARD

A Card Only Your Counter Has

While they wait at the Service and Parts counter, clients find a birthday, holiday or co-pilot card they cannot get anywhere else, on a secured counter spinner next to the register.

Your dealership keeps about 50% of every sale. Suggested pricing on p. 6.

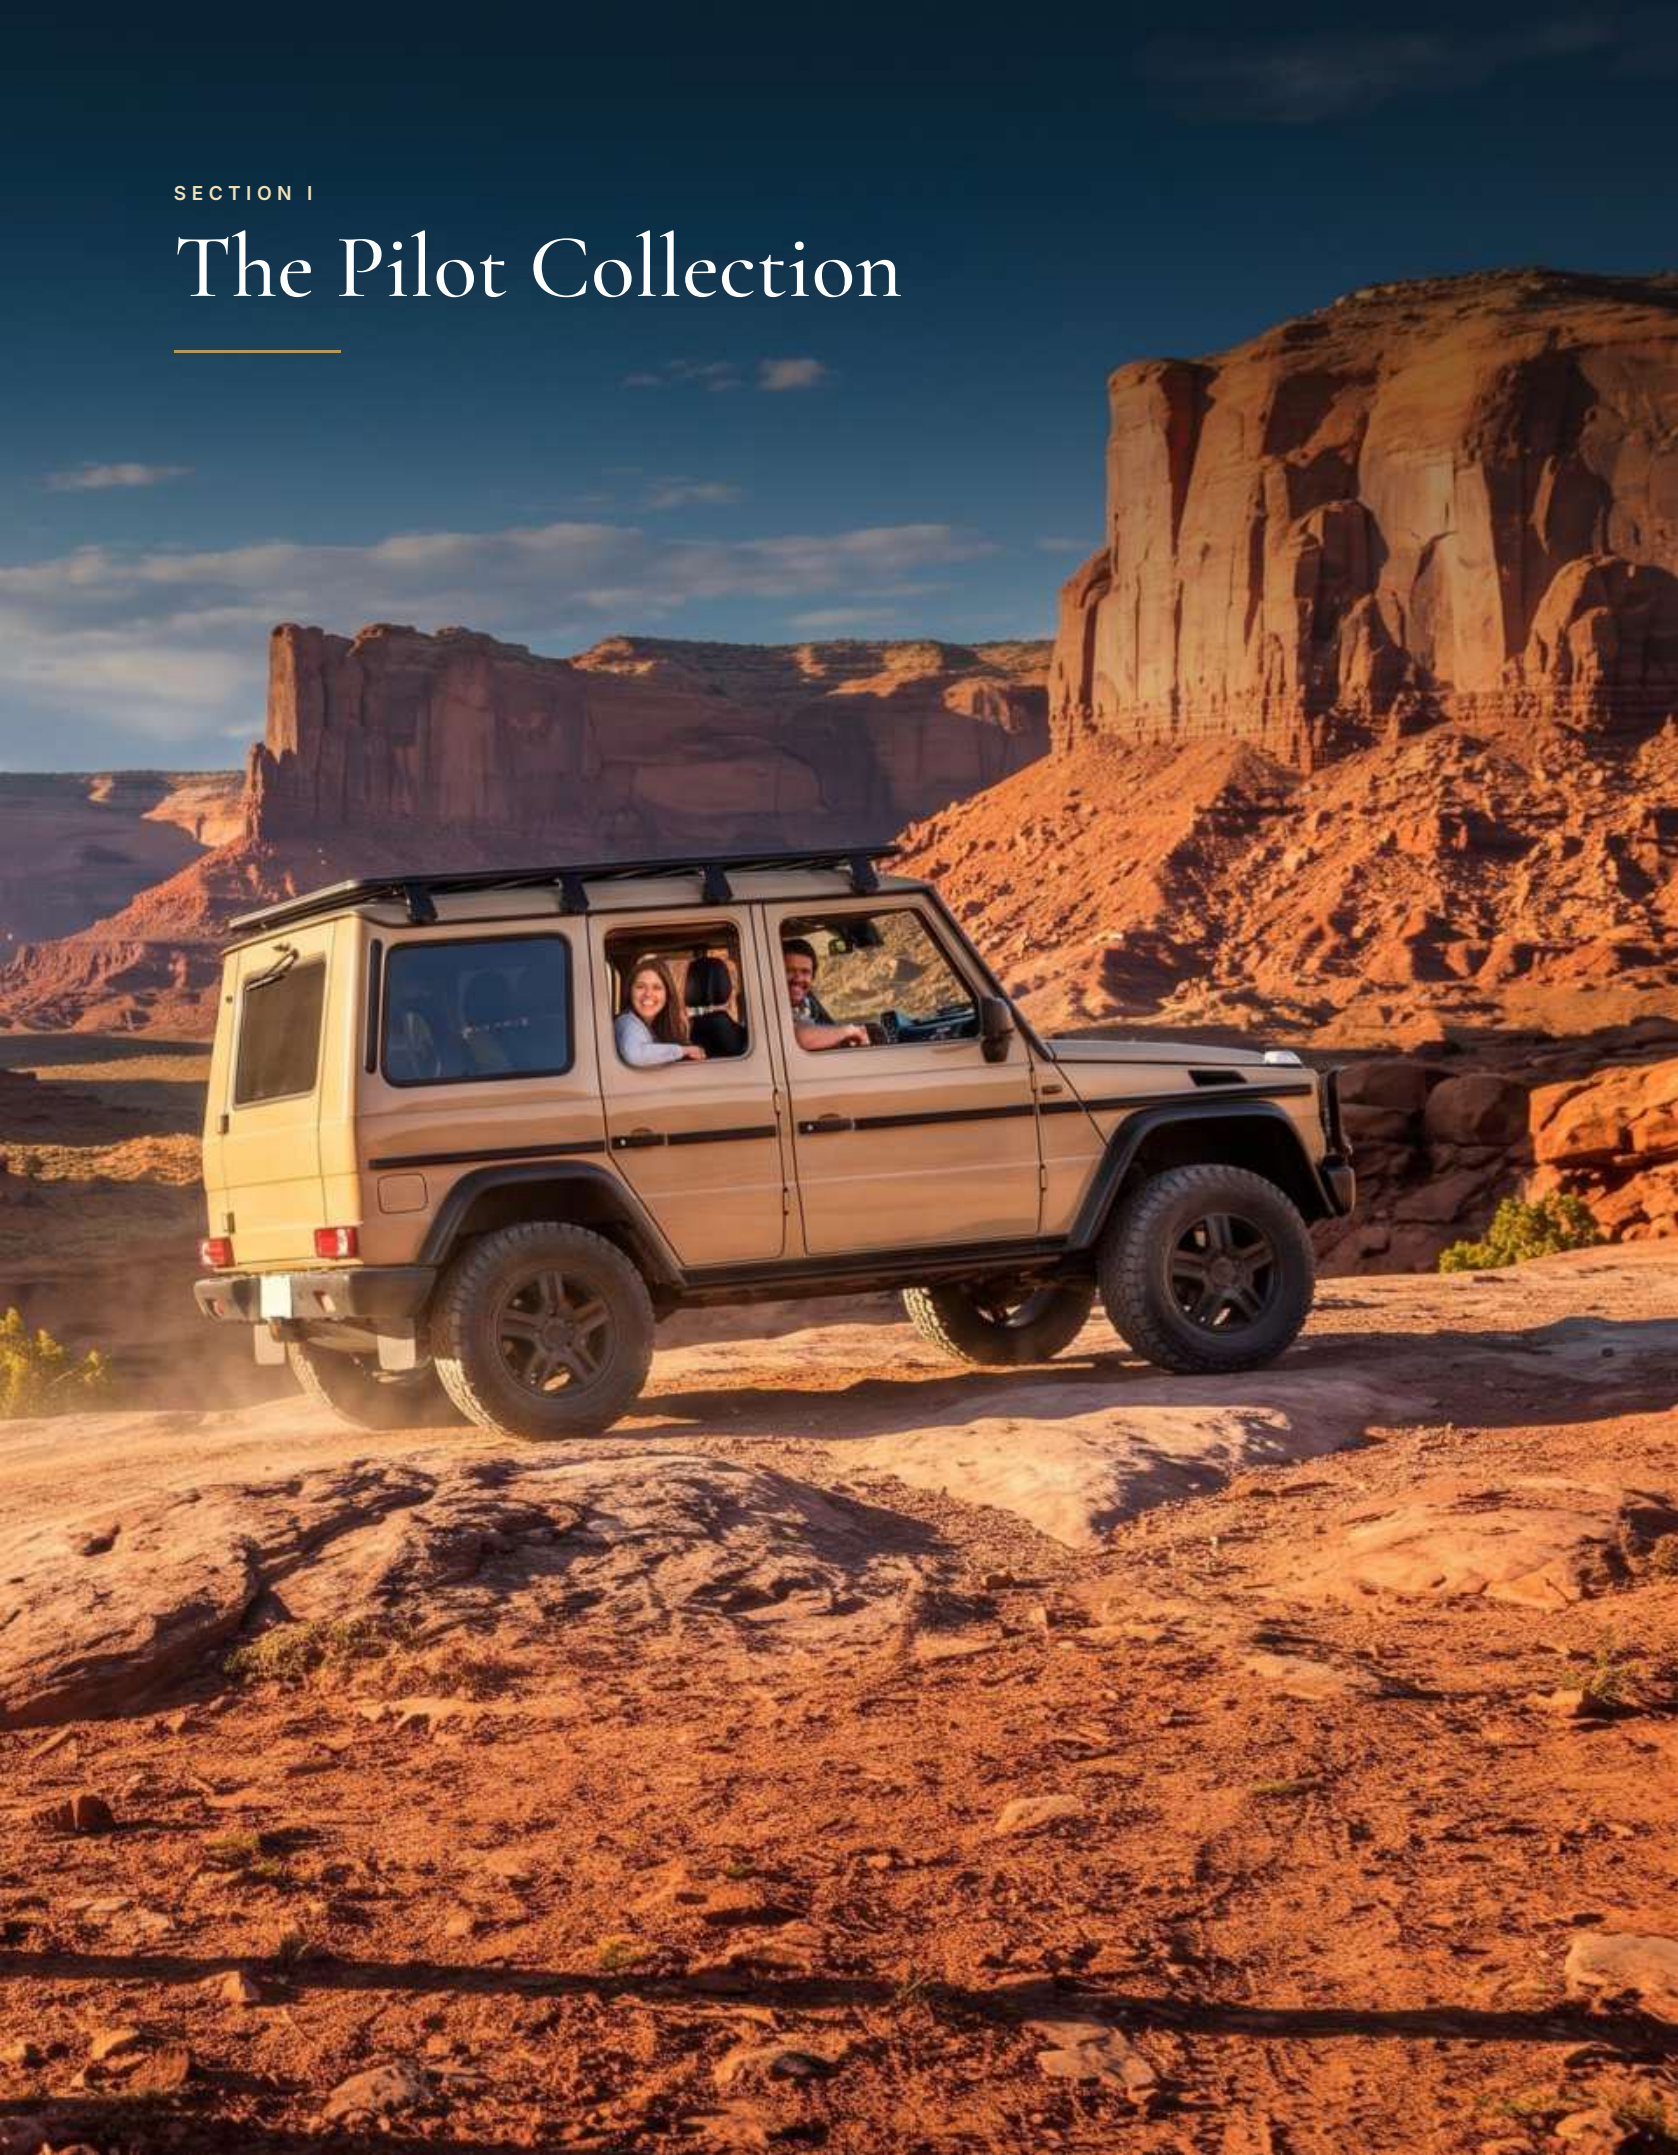

From card #16, Thanks for Trusting Our Team. Illustration for presentation only.

Your teams know your clients best, and I would love to hear how they would use the cards. Brian Carey
