

A BEDTIME STORY

Four Wheels and a Rumble

Pepper, Schnitzel, and Diana

Diana had to go on.
Her puppy did not.

Pepper is only six inches tall.
She found Schnitzel crying in the flowers,
and she would not leave him there.

Lost-dog posters led the way.
A telephone pole. A gas station.
The back of a logging truck.
The ink was still wet.

Yellowstone. Napa. Reno.
So close, and yet so far.

Then Pepper heard the rumble.
