A LETTER FROM BRIAN

Attention: Dealer Principal · Re: A greeting card pilot for your Parts & Service counter and sales team

Dear Dealer Principal,

Your customers are proud of their trucks and cars. *The New Tradition* gives them a way to share that feeling: greeting cards created for Ford dealerships, sold at your Parts & Service counter and given by your teams to the people who matter most.

Here is why it works:

- **A card they can't buy anywhere else.** Birthdays, holidays, pets and milestones, with trucks, trails and open roads in every design. Customers pick them up while they wait, and your dealership earns about a 50% margin.
- **Goodwill your teams can hand out.** A signed card at delivery, after a service visit or for a referral turns a transaction into a relationship.
- **The First Ride Pass (pp. 4–5).** Proud new owners give it to a friend for their first ride, and every ride is a test drive you didn't have to schedule.

Starting is simple. Choose 12 designs for a 120-card pilot, and a secured 12-pocket counter spinner is included free. It ships direct to your store and sets up in minutes. Pilots ordered before December include holiday and New Year cards, in time for the busiest gift-giving season of the year.

I suggest a pilot at one dealership, or at a few stores in your group. The full terms are on p. 6, the 12 starting designs on p. 7, and my note on p. 9 shows how your teams can put the cards to work. Every card is printed in the USA.

May I send samples to your Service and Parts Managers this week? Simply reply to Brian@MelonGlowBooks.com and I will ship them right away.

Warm regards,

Brian Carey

SPIN RACK CARD

Sold to customers off the secured counter spinner.

CUSTOMER LOVE CARD

Given or mailed by your team.

SPIN RACK | CUSTOMER LOVE

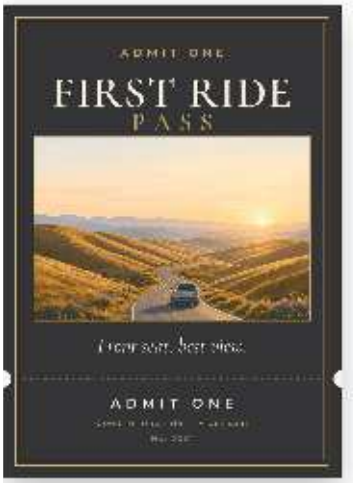

Works as both: the First Ride Pass.

FEATURED CARD · #6A & #6B

The First Ride Pass

SPIN RACK CARD | CUSTOMER LOVE CARD

One card, two jobs: a thank-you from your dealership, and a pass the owner hands to a friend.

COVER · #6B

First Ride Pass · Admit One · Front seat, best view. Ticket style, with a perforated tear-off pass stub the owner hands to a friend.

INSIDE

The invitation in crisp white on black, and a windblown, very happy puppy riding shotgun.

WHY IT IS DIFFERENT

Every Ride Is a Test Drive

Almost every new owner has a friend who has been eyeing a new truck or SUV. The First Ride Pass gives the owner a warm, fun way to say: *come for a ride.* The friend hears about the vehicle from someone they trust, while sitting in it, and every ride is a test drive you didn't have to schedule.

1

At delivery

The delivery specialist hands the new owner a few passes with the keys.

2

The invitation

The owner writes a note and gives a pass to a friend.

3

The first ride

They go for a drive, and maybe a trip for ice cream.

HOW YOUR DEALERSHIP CAN USE IT

Sales & delivery	Hand the new owner a few passes with the keys: "These are for the friends you'll want to take for a ride."
Sales Manager	Tuck a pass into owner referral follow-ups and owner events, so owners have something to give the friend who keeps asking.
Parts & Service counter	Stock it on the secured counter spinner. Owners who want more passes, and anyone who loves the idea, can pick one up.

THE COUNTER OPPORTUNITY

A Card Rack Where Customers Already Wait

Customers spend time at the Parts & Service counter and in the service lounge. A secured counter spinner turns that wait into a moment of browsing, with cards made for Ford owners and the people they drive with.

- Sets up in minutes with no tools
- Cards load face-forward, 5 × 7 portrait
- About 8 cards per pocket, extras kept as backstock

WHERE IT WORKS

- Parts & Service counter, next to the register
- Service lounge and waiting area
- Delivery bay, for the First Ride Pass

A NOTE FROM BRIAN

Good Feeling, Given and Bought

Before you turn to the cards, I want to share how I picture them working at your dealership. There are two ways, and every card in this book is made for one of them, or both.

CUSTOMER LOVE CARD

Goodwill from Your Team

A few handwritten words from the delivery specialist on delivery day, a thank-you on the driver's seat after a service visit, a birthday or holiday card in the mail. It is a simple way of saying *we remember you*.

Advisor and staff packs of 50 or 100 cards per design are available.

SPIN RACK CARD

A Card Only Your Counter Has

While they wait at the Parts & Service counter, customers find a birthday, holiday or truck-dog card they cannot get anywhere else, on a secured counter spinner next to the register.

Your dealership keeps about 50% of every sale. Suggested pricing on p. 6.

A thank-you handed over at the service counter, with the spinner close by. Illustration for presentation only.

Your teams know your customers best, and I would love to hear how they would use the cards. Brian Carey

ROLLING OUT ACROSS YOUR GROUP

From One Store to Every Rooftop

Dealer groups can start with one store, or a few stores at once, and grow at their own pace. We will shape the terms around your group.

1

Pilot

Choose one dealership, or a few stores in your group. Each store starts with 120 cards, 12 designs × 10, and receives a secured 12-pocket counter spinner free, shipped direct to the store.

2

Review

After the holiday season, compare sell-through at the Parts & Service counter and how your teams used the Customer Love cards. Keep the designs that sell, and rotate in new ones from the full collection.

3

Roll out

Add stores whenever you are ready, reorder from 24 cards, and add advisor and staff packs of 50 or 100 per design. Pricing for groups is tailored to the number of locations.

4

Make it yours

A custom greeting can be printed inside any design, such as a group-wide holiday message or each store's name. Just ask; no minimum.
